The University

A splendid, unique and excellent multiprofessional education campus promoted by Mehsana District Education Foundation called Ganpat Vidyanagar has now become Ganpat University vide Gujarat Govt. Act No. 20 of April 2005 & UGC Notification 2 (f), UGC Act 1956. Ganpat University is also the member of Association of Indian Universities (AIU). The university, having all state-of-art academic infrastructure & accommodation facilities offers diversified, undergraduate and post graduate programs in technical and professional disciplines. The Ganpat university campus is spread over about 300 acres of land on the Mehsana-Gandhinagar highway. The university offers graduate, post graduate & Ph.D programs in the field of Pharmacy, Engineering Polytechnique, Management, Centre for management studies (GNU-CMS), Computer sciences, biosciences, and Education etc.

The Institute

S.K.Patel College of Pharmaceutical Education and Research was established in the year 1996 as first self financed pharmacy college in the North Gujarat Region. The college is approved by AICTE and PCI. It is a constituent college of Ganpat University offering B.Pharm, M.Pharm. & Ph.D programs. In M.Pharm programs offers 7 disciplines with total intake of 110 seats. The college is an institutional member of Indian Society for Technical Education (ISTE). The head-office of the Indian Pharmaceutical Association (IPA) Mehsana Branch is also located at the college. The college has achieved the distinction of being FIRST ACCREDITED PHARMACY COLLEGE in the state of Gujarat by NBA-AICTE from 2003 for B. Pharm course. The college spread over more than 7 acres of land is a part of the Ganpat University Campus at Kherva. The college has

two separate building for under graduate and post graduate programme. The under graduate building for B.Pharm course which include 18 laboratories, four class rooms, tutorial rooms, Auditorium, Library with Wi-Fi network, Animal House, Tablet & Capsule Manufacturing Unit, Administrative area totaling a built up area of 9250 sq. meters, is an architectural splendor with ultramodern amenities, specifically designed to suit the requirements of pharmacy education. The post graduate building also includes individual laboratory, class room and others

amenities. The college has well equipped laboratories with more than 3 crore cost of sophisticated equipments facility as per current standard. The college has well equipped library with more than 11000 numbers of books of national/ international authors, more than 3000 titles, facility for online accessing journals, 46 subscription of national journals and 5 subscription of international journals. Besides more than 75 e-journals and 18 magazine. The college has incurred 75 lakhs for separate licensed manufacturing facilities for tablets and capsules as per revised Schedule-M of Drugs & Cosmetics Act & Rules for the benefits of the students. The college campus also includes hostel, staff quarters, central canteen, central dispensary, sports complex, guest house, open air theater, shopping supermarket, etc.

Principal's Desk

It gives me immense pleasure to release e-news letter (Volume-1, Issue-1) of Shree S.K.Patel college of Pharmaceutical Education and Research, Ganpat University. I fill proud as this year has proven excellent in achieving all the heights in academic as well as extracurricular performance due to perfect combination of talents and the dynamism of our students and faculty members. SKPCPER family is not only known for its academic brilliance, but also known for significant contribution to the society. Overall academic progress of our students was highly appreciable and the students have demonstrated at par in achieving outstanding ranks in curricular, extracurricular and research activities. It is also noteworthy that college is continuously receiving grants from various organizations like AICTE and GSBTM to organize scientific programmes and modernization of infrastructure. All these credits go to sincere efforts of our dedicated faculty and hard working students.

Our institution has never looked back for encouraging the students and faculty by providing financial assistance for publication and presentation of research papers in scientific journals and national and international symposia.

I am very confident that the phenomenon of such an outstanding achievements by the students and faculty will continuously rise and will definitely achieve the new milestones.

YOUTH FESTIVAL –2012

Third Youth Festival of the Ganpat University was organized on 4th & 5th January-2012 at Open Air theater of the Ganpat University Campus. Shri Mahesh Kanodiya & Naresh Kanodiya were invited as a chief guest of this function. Shri Anilbhai Patel was the president of the function. Dr.L.N.Patel, Director -Vice chancellor of Ganpat University and Other dignitaries like Prof. P.I.Patel, President of Mehsana District Education Society, Shri C.J.Jadeja, Registrar of the Ganpat University and Dr.Jotwani Director of Research and Principal of U.V.Patel college of Engineering were delivered their talk and motivate the student of the Ganpat University to participate in extracurricular events to highlight their talent among.

More than 200 students has participated in the procession from the different colleges with different theme. Students from SKPCPER has also participated in the youth festival with the theme of corruption. The power of Jan Lokpal Bill was also presented in this procession. More than 30 students has been participated in the creation of the corruption theme. The schedule was very tight on this two day. Number of event was involved in the festival with the innovation. The events were organized in the successive manner by the different coordinators of the college.

More than fifteen students from M.Pharm Sem-I, Final B.Pharm, B.Pharm Sem-VI were participated in different events like Light Vocal Solo (Indian), On the spot painting, Rangoli, Mime, Elocution, Skit, Classical Dance.

Ms. Madhuri Panchakshri from B.Pharm Sem-V has secure 2nd Rank in the classical dance

Receiving Grant from AICTE [Research Project]

Dr.Vipul P. Patel, Associate Professor & Head of M.Pharm Biotechnology Department, Shree S.K.Patel college of Pharmaceutical Education and Research, Kherva has received grant of **Rs. 5,75,000/- from AICTE under Research Promotion Scheme for the year of 2011-12** for the project entitled “Screening of Thiazole and Cinnamibes derivatives for HDACi inhibition”. He is the principal investigator for the project. **Dr. Ritesh B. Sharma**, Asst. Professor, Department of Pharmaceutical Chemistry and **Dr.Maulik P. Suthar**, Asst. Professor, Department of Pharmaceutical Biotechnology are the co-investigator of this project.

 PROGRAMME
ORGANISED

National pharmacy week celebration-2011

National Pharmacy Week was celebrated in our college from 27th to 31st December-2011. students of 11th and 12th science from different school from Mehsana and near by Mehsana district village like Balol, Nugar and Patan were participated on respective date. Lecture session, Poster display and college visits were arrange. Students were inform regarding role of pharmacist in Health care system and they realised the role of pharmacist in health care profession and society. Dr.P.U.Patel was the co-ordinator of this activity.

Hand's on Training of Sophisticated Analytical Instruments

Two Days Workshop on "Hand's on Training of Sophisticated Analytical Instruments" was organized at S. K. Patel College of Pharmaceutical Education and Research, Ganpat University, Kherva during 5th and 6th September, 2011. 19 M. Pharm. students from B. N. College of Pharmacy, Udaipur, Rajasthan and 15 M.Sc. students from Hemchandracharya North Gujarat University, Patan were participated in this workshop. Dr. P. U. Patel was conveyor and Dr. Girish N. Patel and Dr. Hitesh R. Patel were co-ordinator of this workshop. The workshop was divided into two sessions. Theoretical aspects like introduction to instrumentation, operation, trouble shooting, GLP, validation & calibration, method development and applications in pharmaceutical industries. In the Practical session, hands-on training on various instruments helps to consolidate the presentations and discussion. Participants were received intensive hands-on training on analytical instruments such as UV/VIS Spectrophotometer and Flourimeter, IR spectroscopy, Differential Scanning Calorimetry, HPLC, HPTLC, GC.
